Fall Home Maintenance Checklist

Get your home ready for a Chicago-area winter!

- Schedule furnace tune-up before first cold snap (October is peak booking)
- Clean and inspect chimney before fireplace season
- Winterize irrigation system and outdoor faucets before first freeze
- Seal windows and doors — check weatherstripping for drafts
- Stock emergency supplies: ice melt, snow shovel, generator check
- Trim trees and branches near the house before winter storms
- Clean gutters after eaves fall — prevent ice dams
- Drain and store garden hoses

Keep your home cozy, efficient, and market-ready this fall. For more homeowner tips or real estate advice, I'm just a call or message away!
